

How to Earn Sports & Fitness Medals:

FIRST: Choose the pin that you would like to earn.

SECOND: Download the Record Forms from our website or ask your lodge Sports & Recreation Director for a record card for the pin you would like to start working towards.

THIRD: We advise you to get permission from your physician before beginning any exercise program.

FOURTH: Read the Record Form to find out what your goals are for each session and record them.

FIFTH: Have someone initial your recorded efforts.

SIXTH: When your Record Card is complete, submit it to your lodge Sports & Recreation Director. He/she will check the record and order your pins. The pins will be presented to you at a lodge meeting. Pins are made available by Sons of Norway Headquarters at no cost.

Sons of Norway hopes that you will use this program to start a lifetime of fitness.

SPORTS & FITNESS MEDAL PROGRAM

Sons of Norway's Sports & Fitness Medal Program brings a bit of Norwegian tradition to its members by encouraging everyone to participate in activities that will improve their health and well-being in ways that suit each individual.

Here is a brief summary of each requirement within the program. Each sport pin has 4 levels of achievement: Bronze, Silver, Gold, and

Enamel. Bronze is the first level, while Enamel is the fourth and final level. Members must work through the series in sequence, beginning with the Bronze pin.

Members must complete the requirements for each level within 365 days.

NOTE: *If the member completes the requirements in a shorter period, he/she can immediately begin working on the requirements for the next level in the sequence.*

When one level has been completed, the member may want to become even more fit by working towards the next level, continuing until the member has achieved the highest level desired. This process is the same for all pins: Gangmerke (Walking), Sykkelmerke (Bicycling), Skimerke (Skiing), and Idrettsmerke (Sports/Fitness activities).

GANGMERKE (see Record Form #813R)

(pronounced "Gang-merk-eh"):

"Gang" is the Norwegian word for walking, "merke" means pin or in this case, level of achievement (Bronze, Silver, Gold & Enamel). If you like to walk or use a treadmill, then you can earn the Gangmerke medal according to your abilities or desired achievement.

SKIMERKE (see Record Form #804R)

(pronounced "Shee-merk-eh"):

"Ski" is a true Norwegian word that is used in the English language and Skimerke refers to cross-country skiing. Of course if you have a ski exercise machine, then you can use the mileage to qualify for a Skimerke pin.

SYKKELMERKE (see Record Form #810R)

(pronounced "Sick-el-merk-eh"):

"Sykkel" means bicycle in Norwegian. If you like to ride outdoors or ride the stationary bike at the health club or in your own home, this is the program for you. Work your way through the levels and see how fit you become.

IDRETTSMERKE (see Record Form #811R)

(pronounced "Ee-dretts-merk-eh"):

The Idrettsmerke Sports & Fitness Medal program awards Sons of Norway members for living an active lifestyle. Members earn points based on the amount of time they spend doing any number of activities, from playing soccer to rollerblading. Any activity can count towards the Idrettsmerke – if you don't see your favorite activity on the card, just talk to you lodge sports director.

NOTE: *If you don't see your 'favorite' fitness/sport activity listed on the Record Card, consult with your lodge or District Sports Director to determine what activity listed is most like your favorite to determine the points assigned to that activity.*
